RESPONSE TO REQUEST FOR ADMINISTRATIVE REMEDY - PART B

Inmate Name: **SCHULTE, Joshua**
Reg. No. **79471-054**
Administrative Remedy Id.: **971052-F1**

This is in response to your Request for Administrative Remedy dated March 6, 2019, wherein you allege the commissary list is being restricted from 10-South inmates without legitimate reason nor due process. You request that administration lift and remove this unnecessary and unwarrantable restriction, and allow 10-South inmates the same freedom given to the general population in regard to commissary.

An investigation into your claim reveals, on April 12, 2019, the Trust Fund Committee met to review items that you requested as additions to the 10-South commissary list. This resulted in items being added to the 10 South commissary list. You may continue to request specific items from the general population commissary list, which will be considered on a case by case basis.

Based on the above information, the relief you seek is partially granted.

If you are dissatisfied with this response, you may appeal to the Regional Director, Northeast Region, Federal Bureau of Prisons, Northeast Regional Office, U.S. Customs House - 7th Floor, 2nd & Chestnut Streets, Philadelphia, PA 19106, within 20 calendar days of the date of this response.

Part A- INMATE REQUEST

MCC does not separate 28 CFR 501.1 and 501.2 SAMs inmates commissary. I am placed under SAMs due to National Security, NOT for violence or physical security concerns. In fact, I have never been accused of any violence so how can MCC deny me commissary for "Security" reasons? Most items restricted make no sense — mouthwash, vitamins, book light, earbuds, V&G Soap, etc. There is NO REASON to deny these items and most others. Unless MCC and the BOP cares to justify to a federal judge how access to V&G Soap endangers national security, I suggest eliminating the "10 South" commissary sheet and providing me normal commissary. Separating 501.1 and 501.2 into two separate commissary sheets where 501.1 SAMs inmates receive restricted and 501.2 do not is also acceptable.

Part A - REASON FOR APPEAL

Normal Commissary: I did not receive a response to my BP-9 filed on 3/6/19 and it has now exceeded the 20-day time limitation. The arbitrary restriction of random items in commissary to pretrial SAMs inmates is impermissible punishment without due process. These randomly banned items include mouthwash, Vitamin E, a book light, a bowl, a radio, earbuds, composition notebooks, reading glasses, honey, A&D ointment, Artificial tears, gas relief tabs, prilosec tabs, tylenol, mirrors, dish soap, pens, albums, Sudoku puzzles, mugs, socks, shorts, NOS body soap, Suave lotion, herbal essence shampoo, bagels, BBQ sauce, grits, salt & pepper, Honey buns, Jolly Ranchers, Shabangs, corns, sharp cheddar cheese, crackers, soy sauce, wheat thins, assorted tea, and coffee, among many, many more items. It's so random of what is banned that milk chocolate bars ~~ARE~~ permitted, but milk chocolate bars with almonds are BANNED! The BOP cannot randomly ban commissary items just to punish & torture SAMs inmates.
